Subject: 2022-116-T Greenville Moving Company LLC Bill of Lading needed
Date: Tuesday, June 14, 2022 3:20:02 PM

Dear Parties of Record,

This email is in regards to the Bill of Lading that still needs to be filed with the Commission in the above-referenced matter. Pursuant to the Commission's Directive Order No. 2022-380, "the Company (Greenville Moving Company LLC) is required to file its Bill of Lading with the Commission pursuant to Regulation 103-158." Although there have been recent changes in the laws governing Class E movers, the Bill of Lading requirement remains and must be filed no more than ten (10) days following receipt of the Order granting a Class E Household Goods Certificate. Please update us with the filing status of your Bill of Lading at your earliest convenience.

In accordance with Commission practices and procedures, please also remember to hit "reply all" in response to this email so that there is no inadvertent, accidental ex parte communication in this Docket, regardless if such procedural communication may be exempt by statute.

Thank you in advance for your attention to this matter.

Regards,

David Stark
